

Homeschool Policy

All lessons start at 10:30 a.m. and last an hour. We kindly ask that you arrive on time, as lessons will begin promptly at 10:30. If you are unable to attend, please inform us at least 24 hours in advance so that we can offer your spot to someone else. Failure to notify us in advance may affect your ability to sign up for future classes. To ensure everyone has the opportunity to participate in our homeschool programs, please only sign up with the correct number of students. We look forward to seeing you this school year! If you have any further concerns or questions, please contact our Curator of Education.

Homeschool Schedule

10:30- 11:30

Third Wednesday every other month

August 14- Search and Rescue

Discover the science and tools behind search and rescue missions! Learn about historical rescues in South Carolina, master navigation skills with a DIY compass activity, and understand the Earth's magnetic field. Join us for an engaging rescue mission!

October 16- Digging Deeper

Have you ever wondered what it's like to be an archeologist? Learn about the geological process archeologists use during a dig and also how the military works with archeologists to preserve artifacts and uncover history!

December 18- Stealth and Strategy

Have you ever seen an animal use camouflage? Discover the ways the military uses camouflage to blend in with their surroundings depending on the environment they are in. Learn about different types of camouflage along with the ways the military uses biomimicry.

February 12- Carolina Scouts

Do you know who the Carolina Scouts were? Learn about how they were a part of South Carolina's first provisional Navy and how they protected the coast through patrolled watch towers. Discover how they would get to these outposts and the watercrafts they used. Learn the basics of buoyancy by designing, building, and testing a boat.

April 16- War Songs

Coming Soon!
